Activity: Reality vs Expectations

This has been a popular way to understand various topics.

I want you to think for answers relating to the following questions or scenarios based on your expectations and the reality you think of.

Okay? This is just a simple exercise to see how much you are present in our current situation due to what is currently happening now and how it will affect the future of work.

Keep in mind that your answers may be based off on either or both pre or post pandemic.
