🔖 Technokids' ITCUP 2019 Web Design Top 4

🔖 Technokids' ITCUP 2020 Web Design Finalist

INTERESTS

- Artificial Intelligence,
- Software Development,
- Cybersecurity,
- Digital Arts.

PERSONAL PROFILE

I'm an independent and self-motivated student with a passion for painting and programming. More than five years of experience in web programming and small community plugins. Pursuing a career in the field of computer programming would greatly enhance my capabilities as a coder and as an individual.
